O BITUARY — IT A SPECIAL MEETING OF PROCECTOR tor Engine Company, No. 22, held at the Engine House or Saturday, August 19th 1864 a committee was appointed to draft resolutions expressive of the Seelings of this company in regard to our late bereavement.

Whereas, it has pleased the Aimighty God, in his infinite and divine wisdom, to remove from our midst our late associate and brother theman, Daniel Leary, a companion to whom we were bound by his many virtues and qualities of heart; and whereas, the respect we entertaised for him demands from us an expression of our feelings to his memory and sympathy with his widowed mother and other relatives, for their irreparable loss. Hesolved, That in the death of Daniel Leary, our late brother, we sincerely mourn the loss of one who was estemed by us for his acts of Sindhess, and we regret that he should be so suddenly called away from us, just as he was entering upon a life of usefulness; but we authout to the will of Divine Providence, who doeth all thing well.

Recolved, That we desule aymenthing with his afflicted.

for 30 days.

Resolved, That a copy of the above preamble and resolutions, duly authenticated, be sent to his family and
friends, and published in the Sunday Mercury, Herall
Sun, and Firemen's Journal.
